

T: How do you show up?

T: Back to back simulation

T: Solving problems for the future

MIDTERM GUIDELINES - CHAPITRES 1-6

Write a paper/story/powerpoint in which you detail the following in French. You may earn bonus for creativity of theme and high fluency phrases like idiomatic expressions correctly used in French (i.e. speak like a Parisian):

- Vocabulaire:

Include as many words as are relevant from the chapters.

Also include words that describe you more particularly that you find on wordreference.com

- Minimum of 5 photos
- Describe your personality and physical description
- Tell about where you live, how many rooms/what rooms are in your house and where it is located on your street and in town
- What do you eat daily, at holidays, or on special occasions like birthdays? How often?
- Include verbs in each of the following tenses: present, future proche (aller + infinitive), and reflexive.

Finally, describe an event that happened recently or in your past as a child using the passé compose and tell how you felt about it. Make this as interesting/engaging/funny as possible.

What characterizes your communicative approach?

- Message
- Tone
- Active listening
- Affirming / Empathy
/ Warm Transfers
- Taking ownership
- Solution
- Feedback / Finish
